Case No. CV405-61  
[Underlying CR403-3]

**REPORT AND RECOMMENDATION**

Movant has filed a motion to vacate, set aside, or correct his sentence pursuant to 28 U.S.C. § 2255. For the following reasons, the Court recommends that the motion be DENIED.

Movant was indicted by a federal grand jury on January 9, 2003 on one count of possession of a firearm by a convicted felon, one count of possession of crack cocaine with intent to distribute, and one count of use of a firearm during the commission of a drug trafficking crime. Doc. 1.<sup>1</sup> Movant pleaded guilty to possession of a firearm by a convicted felon.

---

<sup>1</sup>Citations are to the docket in movant's criminal case, CR403-3.

On August 7, 2003, the Court sentenced movant to 216 months' imprisonment, five years' supervised release, and a \$100 special assessment. Doc. 37. Movant did not timely appeal, and his conviction became final on August 21, 2003 when the ten-day period for filing a notice of appeal expired.<sup>2</sup> Fed. R. Civ. P. 4(b)(1)(A)(i).

Movant is currently incarcerated at the Federal Correctional Institution at Lisbon, Ohio. His § 2255 motion was executed on March 17, 2005 and was filed with the Court on April 18, 2005. In his motion, movant contends that his counsel was ineffective during plea negotiations in his case. He further claims that his counsel failed to advise him of his right to appeal and failed to raise a Fourth Amendment issue. He further alleges that he and his trial counsel have a conflict of interest.

The Antiterrorism and Effective Death Penalty Act of 1996 amended § 2255 to require a movant to file a § 2255 motion within one year of the date movant's conviction becomes final. Movant was convicted on August 7, 2003, and because he did not file a timely appeal, his conviction became

---

<sup>2</sup>Movant did file a notice of appeal on February 6, 2004, about six months after he was sentenced. Doc. 38. The appeal was dismissed as untimely by the Eleventh Circuit. Doc. 44. Movant filed a motion for reconsideration, which was denied. Doc. 45.

final ten days after the Court entered judgment following sentencing. Mederos v. United States, 218 F.3d 1252, 1253 (11th Cir. 2000). Therefore, under § 2255 ¶6(1), petitioner's conviction became final on August 21, 2003, when the time for filing a notice of appeal expired. See Fed. R. App. P. 4(b)(1)(A)(i) (establishing ten-day period). Movant should have filed his § 2255 motion within a year of that date, or by August 21, 2004. However, he executed his § 2255 motion on March 17, 2005, almost seven months beyond that date. Thus, it is time-barred. Movant presents no newly discovered evidence or rule of law to excuse his untimely filing. Accordingly, the Court recommends that movant's § 2255 motion be DENIED.

**SO REPORTED AND RECOMMENDED this 1<sup>st</sup> day of June, 2005.**
